

Resolution C-12-07 Transshipment in Port reports

1. CPC reporting : *Republic of Korea*

2. Regulatory measures taken by Government in order that transshipments in port are carried out in accordance with the conditions established in annex 1 of resolution C-12-07 :

Whenever any new Resolution is adopted by IATTC, the Ministry of Oceans and Fisheries notifies fishing companies/vessel operators of the new requirement, with translations as appropriate. National Institute of Fisheries Science, on behalf of the Ministry of Oceans and Fisheries of Korea, trains the Captains of fishing vessels on the IATTC Resolutions prior to their departure from Korea. Korea's Distant Water Fisheries Development Act requires that all Korean vessels operating in waters outside Korea's jurisdiction comply with relevant measures adopted by RFMOs. Those who violate any CMMs adopted by RFMOs are subject to suspension/revocation of their fishing license, imprisonment or criminal fines under the same Act.

3. Number and list of fishing vessels of its flag that made transshipments in port : *None*

4. Number and list of vessels of its flag receiving transshipments in port : *None*

5. Total amounts and by species of tuna and sharks made by fishing vessels of its flag in the year : *None*

6. Total amounts and by species of tuna and sharks received by vessel under its flag in the year : *None*
